

MAS DU LUBERON

Sleeps 12 + 2 children, bedrooms 7

Set among 20 hectares of breathtaking countryside, this elegant "Mas" has been painstakingly restored to offer all the very latest features of a beautiful and tranquil period dwelling.

As a working farm, in a fairytale setting, the property is ideal for both small and large groups offering three self contained areas, two in the main house, and the third in a separate cottage.

The extensive gardens include a 12m x 6m heated salt water pool, vegetable and herb gardens, a small pond and a beautifully maintained original Roman bassin.

Countless rural walks and hikes lead to beautiful vistas of the Luberon Valley and its dramatic hilltop villages

The beautiful kitchen is equipped with all you need to create gala meals from produce picked up at local markets. Guests may eat in the gracious indoor or outdoor dining areas.

Upstairs leads you to three bedrooms, all with en suite bathroom.

The large and beautiful master bedroom with double bed is bright with views over the vineyards, cherry orchards, pond and distant hills. There is another double bedroom with beautiful exposed beams and lovely views, and a cosy twin bedroom, also with outstanding views.

The lower level is a self contained unit which has its own garden entrance, access to the pool and the outdoor dining area. There is a comfortable double bedroom, a sitting room with kitchenette. There is also a second bedroom with bunks suitable for children and a shower room and bathroom. Mas du Luberon also offers a separate cottage with double bedroom, sitting area and kitchenette. There is a separate twin bedroom and shared bathroom. The cottage also has a shaded patio - the perfect place to relax with a great book.
