NamibRand Nature Reserve

The private NamibRand Nature Reserve, which borders the Namib Desert, is one of the most unique venues in the world for a wedding and certainly the most remote. At Wolwedans you can realise what most bridal couples dream of: a romantic and intimate wedding ceremony in a spectacular setting. The desert with its changing colours in contrast with the deep blue Namibian sky, elegantly formed dunes, endless grass plains and mystical mountain formations always inspire its beholder. Wolwedans is the perfect place and an insider's tip for those, who want to celebrate their wedding far away from home.

Bride and groom spend their wedding night and the following nights in the Wolwedans Mountain View Suite or alternatively in the idyllic and remote Wolwedans Private Camp, romantically set in an enchanting valley. Guests can be booked into the sophisticated Wolwedans Dunes Lodge or the slightly more rustic but equally charming Wolwedans Dune Camp.

Wolwedans Dunes Lodge is perched on top of a dunes plateau and each of the 8 chalets overlooks panoramic vistas in all directions, capturing the desert in a most memorable way. The building style is a combination of wooden structures, large canvas blinds and windows that open up to the desert beyond. The elegant and stylish Mountain View Suite, also known as Honeymoon Suite, is a private and very spacious chalet adjoining Wolwedans Dunes Lodge. The suite is also built in a classical safari style with wood and canvas. A very romantic bedroom with magnificent view over the dunes, an adjoining bathroom, lounge, kitchen as well as extensive terrace are awaiting you to spend some unforgettable days surrounded by the desert!

Wolwedans Private Camp with only 2 spacious suites is the perfect getaway for those, who are seeking uncompromising privacy and solitude. Situated in the quiet seclusion of an idyllic valley, Wolwedans Private Camp offers a superb view over the impressive Nubib Mountains to the east. In western direction you can easily reach the red dunes by foot. The building style is a combination of wood and canvas as well, which opens into the nature beyond – probably one of the most private places you will ever discover.

Wolwedans Dune Camp consists of 7 comfortable tents pitched on wooden platforms, each with private bathroom. The lapa is comprised of a lounge, dining area and an open-plan kitchen. The sundowner deck with its elevated fireplace is the central meeting point of the camp providing a cosy and relaxed ambience. A stunning panoramic view can be enjoyed from this camp.
